Kosciuszko National Park

It's a winter wonderland

From mid June to October **Kosciuszko Mountain Retreat** is the centre of a snow white wonderland and is just a short drive to Australia's favorite ski region of Perisher Valley, Charlottes Pass, Smiggin Holes and the Ski Tube to Blue Cow Mountain.

To experience Australia's best skiing or just family fun in the snow, the comfortable 2 and 3 bedroom Chalets and the cozy guests lounge, with wood fire, are perfect for family or group accommodation. The peaceful, alpine environment of **Kosciuszko Mountain Retreat** will make your visit to the snow even more enjoyable.

Deluxe Chalet

The Deluxe Spa Chalets sleep up to eight people and have three bedrooms and two bathrooms. They are fully self-contained with kitchen, dining and lounge room, gas heating, satellite TV, outside deck and gas barbeque.

All linen is provided in Deluxe Chalets.

Standard Chalet

Great family comfort for up to six people. Fully self-contained with two bedrooms, bathroom, fully equipped kitchen, private barbeque and carport parking. Comfortable and cosy all year round with 24 hour silent heating, carpet and insulation. Most of the chalets provide 1 double bed (with electric blanket), 2 double bunks, blankets, doonas and pillows. All you need to bring are your sheets, pillow slips and towels (these may also be hired).

Cedar Cabin

Modern cedar cabins are ideal for those on a budget but still wanting comfort. These too, will sleep up to six guests with 1 double bed (with electric blanket), 2 single beds and 1 double bunk. Your kitchen is fully equipped including gas cooker, microwave and under bench fridge. We provide blankets, doonas and pillows. All you need to bring are your sheets, pillow slips and towels (which may also be hired).

On-Site Vans

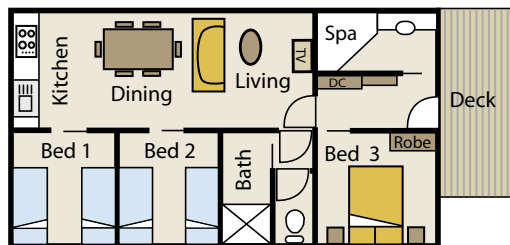

Budget accommodation sleeping up to six people. Fully self-contained and situated close to the amenities. Ideal for low cost family or back packer accommodation.

Caravan & Camping sites

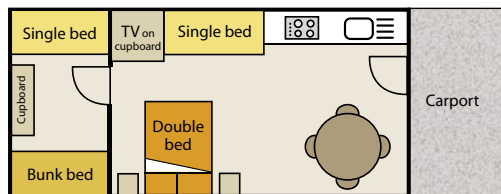

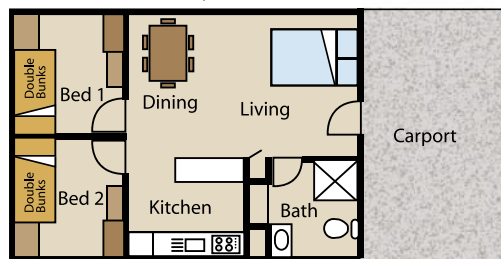

We have both powered and un-powered sites situated among the snow gums in natural alpine bush surroundings.
