Guests' sitting room has a log fire, satellite TV and direct access to the 1st floor all-round verandah, overlooking the salt water pool and spa, with lovely views to Mount Eerwah and surrounding hills dotted with cattle and horses. Maybe catch a glimpse of the wallabies, if you are up early enough.

Two Queen and one King Suite, all with reverse cycle airconditioning and ensuite bathrooms, sumptuously furnished to enhance the Queenslander style of the main house. All rooms are equipped with refreshment facilities, TV with digital decoders and DVD.

Sleep in the softest of linens and wake up to the sound of the 40 odd varieties of birds resident in Eerwah Vale.

Enjoy your à la carte breakfast of local produce on the verandah, overlooking Mount Eerwah, in the dining room on cooler mornings or indulge yourselves with breakfast in bed.

Take a dip in the temperature controlled salt water pool or relax in our spa on the deck overlooking the sweeping gardens and countryside.

A Reiki Massage can be arranged.

Pay a visit to the Eumundi markets (Wednesday and Saturday mornings) or drive over to Noosa Heads for a little shopping spree in Hasting Street, followed by lunch or dinner perhaps.

Or go to the beach, have a walk in the Noosa National Park, play tennis in Eumundi or enjoy a few rounds of golf on courses withing 20 minutes' drive.

Visit some wineries, locally produced olive oil is available just around the corner and the goats' cheeses of this area are famous.

Come and let yourself be pampered.....

At Musavale Lodge, relaxation is not something we merely invite, we make it a certainty.

**Musavale Lodge** situated on the outskirts of Eumundi, only 3 minutes from the Bruce Highway and 1 hour 25 minutes from Brisbane International Airport, yet surrounded by pastoral countryside, makes Musavale Lodge an ideal week-end get-away location, offering comfort and luxury never to be forgotten.
