

ECHOES  
BOUTIQUE HOTEL & RESTAURANT  
BLUE MOUNTAINS

# *Wine & Beverage List*

## *History of Echoes*

*Echoes Boutique Hotel & Restaurant was designed by architect Peter Doreen and built in 1990 as a retreat for Australian writer Thomas Keneally and his television colleagues. The current building replaced a historic homestead that was commissioned by Florence Young in the late 20's. Florence Young was a missionary who travelled extensively to the Far East and Papua New Guinea to preach Christianity and undertake missionary works.*

*From late 40's until mid 80's the old homestead was a retreat for the Australian Christian Nurse movement. By mid 80's the house was in a poor state of repair and become a fire hazard. Following its demolition in late 80's, the site was auctioned and the concept for Echoes guesthouse was born. The result is a 3 storey contemporary guest house that combines a sleek modern design with a touch of federation.*

*Built on the edge of the escarpment overlooking the Jamison Valley, Echoes was one of the first luxury guesthouses in the mountains to offer award-winning cuisine. Dining is always the focal point for the Blue Mountains and Echoes had its origins with the famous chef Claude Corne "Claude's" of Woollahra, who cemented Echoes as a fine dining venue in the early to mid 90's.*

*Over the year, Echoes has evolved from a luxury B&B to what is now a thriving Boutique Hotel with a busy award winning restaurant, bar & lounge. Renovated in 2006, Echoes is now a luxurious and stylish boutique Hotel with a much sought after location in the Blue Mountains.*
