## HOW THE DOG GOT ITS GAIN

(with apologies to Henry Lawson)

Many years ago, three miners in the bush made a bomb of blaster powder that they planned to set off in a waterhole to catch fish. But they didn't bargain on Tommy, a big brown young retriever dog, or more an overgrown pup.

To cut a long story shorter than a docked Rottweiler's tail, Tommy took off with the bomb, ignited the fuse by dragging it through the miner's cooking fire and then being a retriever, decided to return the hissing, sizzling object to its creators.

Two of the miners had ducked for cover so Tommy took off in hot pursuit of Dave, who was heading for a small hotel, not far away. Miners and bushmen alike ran off as Tommy, with bomb and ever-shortening fuse, entered the yard.

Under the hotel lived a vicious yellow mongrel cattle dog of which miners, bushmen and Tommy were most afraid. Seeing Tommy in his territory, the yellow dog caught up with the retriever halfway across the yard and nipped him as the fuse burned down to its last few inches (inches, because, as I said, this happened many years ago), causing Tommy to drop the bomb.

The yellow dog was just taking a third cautious sniff of this strange object when - kaboom!!

Dave apologised to all the pub "and the dog that had done it all, Tommy, the great, idiotic mongrel retriever, came slobbering round Dave and lashing his legs with its tail, and trotted home after him, smiling his broadest, longest and reddest smile of amiability and apparently satisfied for one afternoon with the fun he's had."

So, you see, that's one story of how the Grinning Dog came about. You've no doubt got your own.

## THE GRINNING DOG LICENCE

Grinning Dog customers are invited to sign up for our free loyalty programme. The Grinning Dog Licence is a magnetic swipe card which you use with every purchase in the tavern and bottle shops.

Every dollar you spend at the Grinning Dog Tavern and Thirsty Dog bottle shops earns loyalty points - you can even earn points in Grinners Gaming Room.

Also when you purchase certain products and we swipe your card an automatic ticket is generated which then becomes eligible for our monthly giveaways and cash draws.

Membership forms are available in the bar. If you have any queries, please ask the attendant on duty.

## THIRSTY DOG RETAIL OUTLETS

The other side of the Grinning Dog Tavern & Steakhouse are the Thirsty Dog Bottle Shops. Being locally owned the Thirsty Dog Shops have adopted the motto of "Support Your Local Underdog". We offer competitive pricing, weekly specials, a large range of Australian wines with regular tastings and the same friendly service and convenience you are experiencing at the Grinning Dog Tavern.

We have further enhanced our buying power by joining the Liquor Legends buying group. This has made our prices even keener. Our Liquor Barn is located immediately alongside the Tavern and we have off-site bottle shops at Duporth Avenue and Aerodrome Road Maroochydore.
