Summer 2014

# Enter the world of Intelligent Drinkers

Where authentic craft spirits are King.  
Driven by their passion for putting quality  
first,  
and partnering with The Liquor Baroness  
where knowledge, appreciation and  
sophisticated consumption are the  
foundations of an enhanced drinking  
experience.

# Who is **The Liquor Baroness?**

The Liquor Baroness is based on the ideal that drinking does not have to be toxic or mindless but a knowledgeable journey of discovery.

We are Spirit Merchants specialising in rare, organic and hand crafted spirits from across the globe, offering them directly to Asia Pacific.

We are the creators of Raw Cocktails with no added sugar or salt so that consumers can appreciate the quality of our spirits.

# Interesting Facts

63% of  
Australians are  
reported to be on  
a diet and are  
willing to pay  
more for  
healthier  
alternatives

\*Source: IBIS World

On average  
drinking between  
5-7 cocktails is  
the equivalent of  
eating 25  
chocolate bars  
liquefied

\*Source: Weight Watchers

Approximately  
3.61 million  
Australians  
have diabetes  
or pre-diabetes

\*Source: Australian Diabetes  
council

Raw cocktails is the healthy alternative with no added sugar or salt

## —THE LIQUOR— BARONESS

---

### Gold Gin 999.9 \$149.99

Country of Origin: Eastern France,  
Franche-Comté Region

This small batch Gin is handcrafted  
and partly distilled in 18th Century  
Gold pots to obtain a smooth  
rounded finish.

Unlike other gins, the base alcohol is  
created in the same distillery  
providing precision over the whole  
process.

The Gin is very floral and fragrant,  
recommended to drink neat and the  
main botanicals include; tangerine,  
almonds, ginger, violet flowers,  
coriander, angelica root, cassia bark,  
gentian violet, poppy and vanilla.

## –THE LIQUOR– BARONESS

### Virtuous Organic Vodka \$99.99

Country of Origin: Sweden,  
Stockholm

Pure unfiltered Vodka made with  
certified organic grains and  
flavoured with real organic fruit  
with no added preservatives,  
chemicals or essences.

The organic fruit takes about 12  
weeks macerating in the still with  
the distiller tasting it every 3 -4  
hours around the clock to ensure it  
is extracting the right flavours.

The current flavours are Ginger,  
Raspberry, Chilli, Bitter Lemon,  
Vanilla, Blond and Sea Buckthorn.

## —THE LIQUOR— BARONESS

### Ledgers Tonic Water \$12.99 for 4 29.99 for 12

Country of Origin: Spain,  
Madrid

Ledgers is made from the best quinine in the world that comes from the Cinchona Ledgerians Tree discovered by Charles Ledger in 1864.

It has low carbonation, low salt and low sugar as it is the only tonic on the market to be sweeten with Stevia making the whole bottle only 46 calories.

Ledgers comes in four flavours of Cinnamon, Liquorice, Tangerine and Original.
