Assam Orthodox

This whole leaf tea comes solely from one of the first ever established tea gardens in India.

It has characteristics of dark chocolate, malt and dried fruit.

Earl Grey

Ceylon leaf tea infused with oils from the bergamot fruit and blue cornflowers.

Dragon Well

An autumn picked green tea, deliciously nutty and not too heavy on the palate.

Inhale Exhale

Breathe easy with this therapeutic tonic. A ripe lemon bouquet predominates, bolstered by light anise flavours. Thyme, peppermint, fennel, star anise, lemon myrtle and liquorice roots make this tea both tasty and packed full of antiseptic and anti-viral properties.

Heal

A healing blend of calendula petals, lemongrass, ginger, mint and fennel seeds. A delicious uplifting infusion to strengthen the constitution and restore balance.

Digestif

A blend of herbs to refresh the palate and ease digestion. Organic peppermint and spearmint, combined with a smattering of fennel seeds and lavender to add aroma and sweetness.

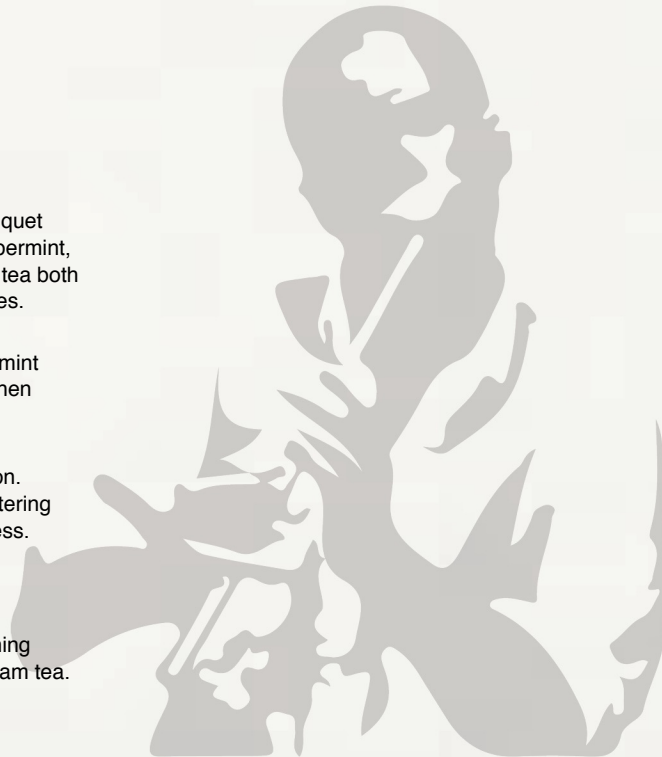

### Masala Chai

**Small pot 4 Large pot 6**

This is the authentic recipe for Indian spiced tea, combining both ground and hand-crushed whole spices with robust Assam tea.
