Woong Tree Pinot Noir 2013 (Central Otago, NZ)

99

Stunning Central Otago Pinot Noir!

Ripe hand picked fruit, gentle winemaking and maturation in French oak have resulted in a complex and powerful wine, with aromas of ripe cherries, raspberries and Black Doris plums, a rich and silky smooth palate with fine grainy tannins to match the fruit.

Excellent value, drinking fantastically well now and will develop and cellar for several years.

--	--	----

Low rainfall in the winter and spring followed by a warm, temperate summer caused fruit across California to mature faster and be picked earlier. The shorter than normal growing season caused the fruit to develop faster resulting in intense fruit flavors and soft acidity. Small fruit clusters from decades-old, head trained vines in Lodi and Amador make up the larger part of this blend giving the wine it's intense concentration. Fruit from the cool, marine-influenced Central Coast appellation gives the wine it's structure and tannins. Fruit from Mendocino and Russian River add spice and red fruit flavors. Sourcing from these varied regions across California helped to create an elegant and well-balanced wine.
