

The logo for 'BOTANIC wine garden' is centered at the top. 'BOTANIC' is written in a bold, uppercase, sans-serif font on a horizontal banner. Below it, 'wine garden' is written in a flowing, lowercase script font. The banner and text are surrounded by decorative swirls and leaves. The entire page is framed by detailed black and white line drawings of various plants, including roses, grapevines with clusters of red grapes, and large, lobed leaves. The red color of the grapes is the only color used in the illustration.

BOTANIC wine garden

Just like you, we dream of ditching work to sip rosé in the park and of hot summer nights all year long. We hope you'll come and be a part of what we are – a place to celebrate life with what we know best – food and drink.

Our space is local, spreading from the inside out; we're organic in our approach and our delivery. Our team's background is complex and while we hail from some of the finest dining establishments, we just want to be your favourite, neighbourhood joint.

The menu comes from North Coast farmers markets, local producers, fishing boats and oyster leases, country fields and the wondrous meanderings of spirited travellers with passionate palates.

We believe that every wine has a story to tell, be it about the place, the grape or the winemaker. Our Coravin wine dispenser guarantees quality wine preservation and will allow you to experience high quality wines without splashing out for the whole bottle! The Australian orientated wine list is broad enough for you to come by and enjoy wine with us every night or perhaps order something you can't get anywhere else in the world!
