"There are too many great wines, to always drink the same bottle"

IN VINO VERITAS

NHIL DIFFICILE VOLENTI

»»» BENVENUTI »»»

My friend, welcome to my home.

On the bare, brick walls hang copper pots and pans from my parents kitchen in Rome. The very kitchen where I first experienced how food, how true hospitality, can make a person feel. And for you, I want this same feeling of warmth, comfortability, and, of course, happiness. To give this to you, is a gift for me.

Each day when I step into this room, where the soft music bounces off dark, rich timber, and the scent of fresh ingredients waft in from the kitchen, I am home. For me, life is simple, and good food and wine should be simple. Our menu uses fresh, traditional Italian produce put together with a little panache', a trait Inherited from my father, Pino, whom this restaurant is named after. Our cocktails are spirited and constructed with pride. Our wine, of course, is Italian - generous, full, and bold.

I truly hope our food and our hospitality make you feel at home, among good friends.

con amore,
