## **BLESSED CHEESE - CHEESE & WINE TRAIL**

Great wine deserves great cheese and we have matched up the very best for you to enjoy. The McLaren Vale Cheese & Wine Trail starts right here at the Blessed Cheese Café where you will pick up your hamper for two. As you drive yourself along the trail enjoying Australia's wine country at its very best, you will learn about cheese and wine matching as you graze from cellar door to cellar door amongst a backdrop of sweeping hills, patchwork pastures, orchards and magnificent vineyards, enjoying a four course progressive picnic lunch with a delicious array of locally made artisan cheeses, nuts, olives, smoked meat and dried fruit, even dark chocolate – enough for a light lunch spread across the afternoon. Tasting notes and a map of the trail is supplied with your hamper. A \$50 refundable deposit is required for the safe return of the hamper, cheeseboards, cheese knives etc. at the end of your trail no later than 4.00pm. We recommend that you allow yourself 4 hours to enjoy the trail. Vegan cheeses and wines are available.
