LOCAL BUSINESSES SCORE WELL IN READERS CHOICE AWARDS

by: Lisa Astle

The Australian Good Food Guide (AGFG) Readers' Choice Award is an annual award determined by votes from the Australia public on their favourite establishments throughout the year on the AGFG website. Three York establishments have been given the honour of making the list of winners for 2020.

The Australian Good Food and Travel Guide has one of the most comprehensive lists of Restaurants, Accommodation and Travel authorities from not only the city areas but all throughout rural areas throughout Australia.

Customers can vote for their favourite establishment on their website with a vote button on listed businesses and the votes are counted early January each year and winners are announced mid-January each year.

The three York businesses that have been given this honour for 2020 are The York Motel Readers' Choice 2020 - regional, Settlers House Readers' Choice 2020 - Modern Australian and The Mill café Readers' Choice 2020 - Café. The establishments are notified by email which includes a certificate that they can download and display at their businesses or website.

Meghan Hicks, owner of The Mill café stated 'All I can say is what an honour to be selected. It's exciting especially since we have only been open a few months and

definitely could not have done it without the amazing team of staff and family. Having lived in York most of my life the local support has been amazing and I'm very grateful!

Stacey Slater, general manager of Settlers House said 'On behalf of all of the staff at Settlers House York, we really appreciate this acknowledgment of all of our hard work and dedication. We have a great team who produce consistently good food and service and it's great to have this recognized

Congratulations to all three worthy winners of this award! We can be proud to have this standard of excellence in our town. If you haven't already, they are well worth a visit.
