Wines by Farr

There are few wines in Australia that have the same reverence attached to them as those made by the Farr family.

The Geelong wine region and the Farr name have become synonymous when it comes to the quality and elegance produced in virtue of terroir and skill. The consistent high quality and the attention to detail of the wines produced are unrivalled in this region and across the Australian wine sphere as a whole. This is why Farr wines are so sought after and revered.

We've chosen to showcase this producer as a tribute to the quality and the thoughtfulness of these wines and to allow us to share them with you.
