Chicken	\$15.90
Sliced Beef	\$16.90
Crispy Pork/BBQ	\$17.90

How do we make our Tom Yum Noodle Soup? Fragrant, sweet and sour

Boil the chicken bones in long hours, this will produce a natural sweetness to it.

Sticking to the traditional, adding fish sauce for the depth and rock sugar for the balance.

Simmer the stock in long hours to absorb all the ingredients and herbs. The finished stock has a searingly distinctive light flavor and nourishing.

Beef Noodle Soup

\$18.90
