JAPANESE GIN & TONIC

Japanese have brought some unique offerings to the gin table. In a non-traditional method of production, the botanicals were distilled separately before blending them together and ultimately creating an award winning gin.

Just pick a gin, a glass and KANPAI!

Roku Gin, Yamazaki, Keisai, Japan 12

6 Japanese characters: cherry blossoms and leaves, yuzu, sansho, pepper and teas, with original botanicals.

Matsui Hakuto Gin, Kurayoshi, Japan 12

9 unique types of botanicals; pear, juniper berry, coriander seeds, orange peels, yuzu peel, Wakayama mochi, gyokuro, cherry blossoms and black peepers.

Etsu Gin, Hokkaido, Japan 14

A wide range of Asian and Japanese botanicals like Japanese pepper and Japanese tea leaves, very floral gin with Yuzu citrus

Nikka Coffey Gin, Miyagikyo, Sendai, Japan 15

11 selected botanicals, zesty aroma originating from four kinds of Japanese citrus, Yuzu, Kabosu, Amanatsu and Shequasar.

MARS Wa Bi Gin, Kagoshima, Japan 15
