DRINKS

8 at Trinity offers a diverse and curated collection of wines, cocktails, spirit and local craft beers so guests can dine comfortably on our most decadent offerings alongside family favourites including the occasional classic throwback. Our cocktail mixologists have created a boutique and mainstream cocktail offering that strives to be both theatrical and cutting edge.

At 8 At Trinity, we take pride in offering a carefully curated selection of wines sourced from diverse regions across the globe. Our aim is to provide the finest grape varieties, celebrating their unique characteristics while also championing the exceptional produce cultivated by both renowned Australian vineyards and boutique, specialty growers.

Nestled close to the renowned Hunter Valley, distinctive for its terroir and unique climate for winemaking, we feel privileged to present a selection of carefully picked wines from this region for you to taste at your table. Our sommeliers are giving you the opportunity to experience what local winemakers are famous for and do best. We are aiming to showcase wines from locally well-established producers you may know to ones that deserve to be known.

As the celebrated author Ernest Hemingway once remarked, "Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing." In the spirit of camaraderie and conviviality, we echo his sentiments with another timeless aphorism: "Wine and friends are a great blend."
