BAR OLIVETTE

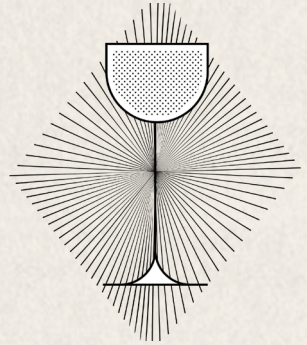

SIGNATURE

COCKTAILS

THREE MILE LIMIT

Pineapple and Toasted Macadamia
Infused Rum, Pineapple Oleo, Lime

Complicated and punchy. This drink pays homage to an old law set by The United States Government, the 18th Amendment, prohibiting the possession, manufacture and sale of alcoholic beverages. In an attempt to crack down on illegal import and export from Cuba and The Bahamas, vessels entering within 3 miles of US Shores would be shot down by cannon fire. To represent the deep history of the US prohibition we have chosen only three ingredients to go into this drink. Pineapple, Rum and Lime. But mixed in a way like no other.

23

THE MARY JANE

Aperol, Vodka, Marmalade,
Egg White, Orange, Lime.

A punch in the face with a flavourful foamy cushion. The Mary Jane is a tightrope balancing act between sweet, sour, bitter and smooth. Overall, she's a crowd pleaser.

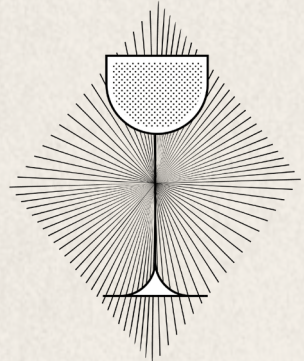

23

COSMIC LOVE

Anejo Tequila, Cointreau, Lavender,
Cranberry, Lime

When two separate worlds unexpectedly come together, it's like the universe playing matchmaker. Whether you believe it's fate, destiny, or just a beautiful coincidence, we call it Cosmic Love.

23

NOT BUDWEISER

Vodka, Mango, Ginger Beer, IPA Foam.

A far more pleasant experience than a can of Budweiser. A blend of our in-house ingredients including mango syrup, vodka, ginger beer and of course our famous IPA Foam.

24

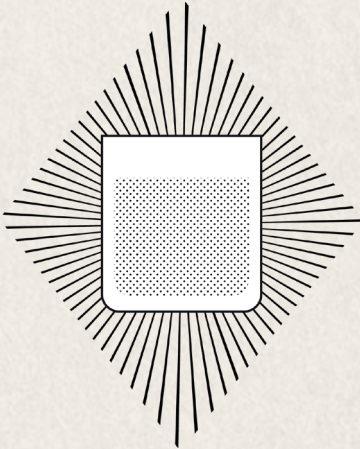

KEY LIME PIE

SoHi Garden Envy Gin, Chartreuse, Midori, Fresh Pressed Apple, Lime, Vanilla Pepper Cream

Thirsting for a liquid dessert, love? Behold our take on the classic Floridian delight, the Key Lime Pie. And don't fret, we haven't forgotten about the buttery biscuit base.

23

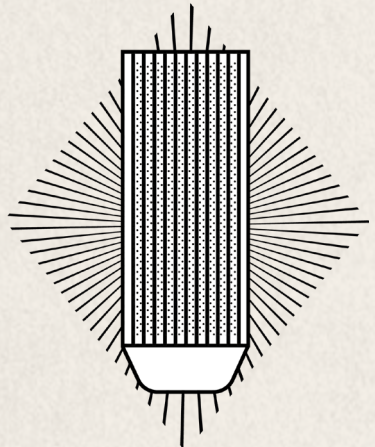

PASSWORD UNDER THE TABLE

Tequila Blanco, Cointreau, Fermented Strawberry, Lemon, Prosecco

Using the misfits of the strawberry world, these berries are rejected by the mundane shelves of the supermarkets. But, alas, they find their redemption in this seductive potion. To achieve their glow up, we ferment the fruit using local honey and yeast, unlocking the true flavour within. To complete the affair - the stems are transformed into a sorbet which crowns the glory of this cocktail, proving that these overlooked berries deserve a glamorous life.

Why waste, waste?

27

PROMISCUOUS BEHAVIOUR

Riverina Gin, Creme De Mure, Lemon, Dr. Adam Elmegirab Aphrodite Bitters

Love is a four letter word, mirrors the societal shift of the Roaring Twenties. Breaking free from archaic norms, it represents the era's sexual revolution. What was once exclusive to single males found a more balanced expression across genders. The boundaries melted away, allowing the pursuit of pleasure to transcend societal norms. This shift, spurred by the cinematic rise and accessible automobiles, allowed private exploration and embraced newfound freedoms. Cheers to the liberation of love, a tale told in every sip.

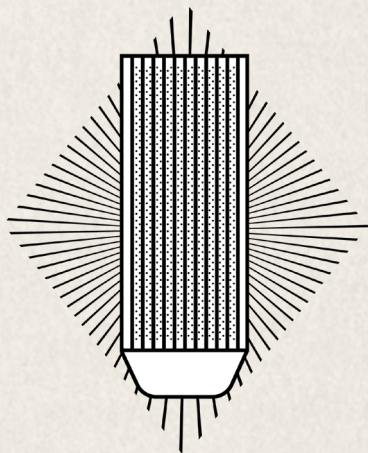

22

FOOS YER DOOS

Mezcal Cask Aged Scotch, Grapefruit, Agave, Soda

Foos yer doos? Och aye, peckin awa.

When a Scottish phrase meets the Mexican classic cocktail. Typically, a Paloma consists of tequila, grapefruit soda and occasionally - a splash of lime. With ours, we've added a handful of smoky scotch and a hint of caramel. Be daring, pal. Take her for a ride.

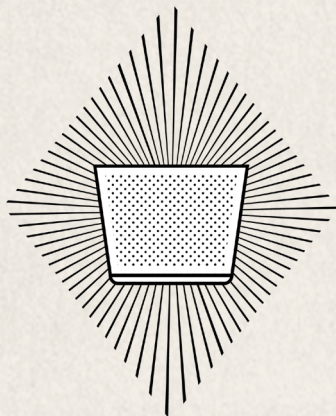

23

EL CHEFE

White Rum, Homemade Tepache, Coconut, Peychauds Bitters

El Chefe. A man that needs no introduction and leaves a trail of his presence wherever he goes. His pockets overflowing with secrets of a past life. In a guise to clean his dirty money, he started selling homemade tepache to local bars. Taste this drink that conceals the whispers of his dark past.

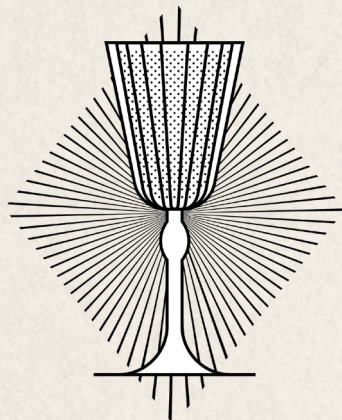

21

MR LUM

In-house Cucumber Tequila, Cointreau, Umeshu, Chillies, Soy Syrup Reduction, Lime.

This carefully crafted concoction is for the culinary adventurous and most sophisticated of society. Our tequila sits in cucumber for a minimum of 90 days. Our spicy syrup contains 3 varieties of chillies, a splash of soy sauce and a light sprinkle of MSG... you'll have to trust us on this one.

23

COME HITHER

Cognac, Chocolate Bitters, Chai Butter Syrup, Oat Milk, White Chocolate and Barley Foam.

Rich buttery chai goodness... so good that we have to keep our homemade butter syrup locked in the vault and CCTV active at all times! Excessive consumption may lead to seductive behaviour, inflammatory comments and ultimately, deportation. The perfect curtain call cocktail.

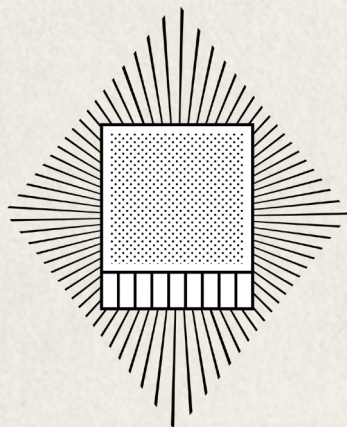

23

LAST BOY SCOUT

Biscuit Infused Whiskey, Triple Filtered Dark Chocolate Infused Cocchi Torino, Sour Cherry and Walnut Bitters, Laphroaig Mist.

We twice infused the whisky. First with brown butter to achieve a silky rich finish and second with the finest quality home-made shortbread biscuits. Our in-house amaro is infused precisely at 47 C' with Belgian dark chocolate and pure cacao paste, straight from the bean. Close your eyes whilst sipping and you shall be transported to the edge of a roaring campfire.

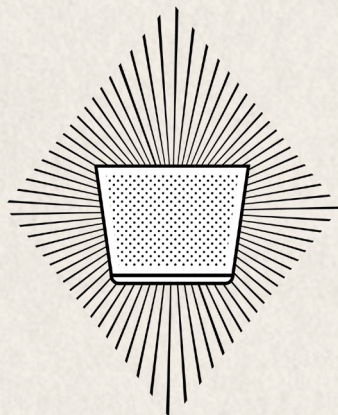

28

PLANTATION CACAO

Horse's Tale Gin, Coffee Infused Campari, Antica Formula, Creme de Cacao, Chocolate Bitters.

Sophistication neatly executed with Horse's Tale Gin, Roasted Coffee Bean Campari, Dark Creme De Cacao and Antica Formula. Sweet, smooth bitterness rolled into the most pleasurable and unique negroni you've ever laid tongues on. Get your mouth involved with this one.

24

ARTHUR AVENUE

Triple Infused Basil Vodka, Cointreau, Cranberry, Punch A' La Olivette, Lime.

A blushing beauty. Note the smoky basil aromas as you sip this Italian come NYC inspired drink. Delightfully herbaceous and too easy to drink, don't be fooled by the beautiful blend of flavours as this tippie is extremely potent. We sweeten this drink with our in-house A Lá Olivette syrup which is made from the finest lemon skin and left to bathe in its own oils for 24 hours. Cent'anni!

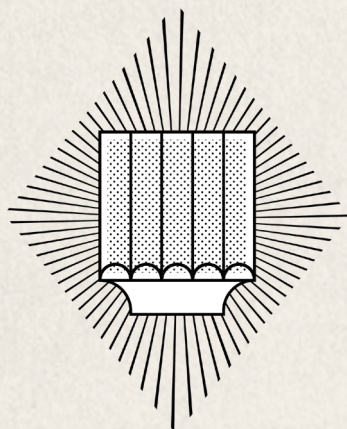

22

MONKEY SEE, MONKEY DO

Banana Fat Washed Rum, American Bourbon Whiskey, Banana Oleo, Dark Walnut Bitters.

A gentleman makes his eyes not want to see what is not right, makes his ears not want to hear what is not right, makes his mouth not want to speak what is not right, and makes his heart not want to deliberate over what is not right. We must not see, hear or speak evil. So shut up, drink up and be a good little monkey.

BAR OLIVETTE

CLASSIC

COCKTAILS

MARGARITA

Olivette Margarita

22

Tequila Reposado, Lime, Agave Nectar, Cointreau

We've settled the debate on margaritas. This is our version of a Tommy's but better.

Spicy Margarita

22

Tequila Reposado, Fresh Lime, Cointreau, Tobasco

Heavily requested, we thought we'd oblige. Come fire walk with us and enjoy a complementary fusion where fiery pepper and zesty citrus intertwine in a tantalising dance of flavour.

Honey Margarita

22

Local Honey, Tequila Blanco, Cointreau, Lime

Did you know that eating local honey builds your immune system? Just another excuse to try out this beautiful concoction.

ESPRESSO MARTINI

Olivette Espresso Martini

Vodka, Mr. Black, Fresh Espresso,
Demerara, In-house Chai Syrup

A drink that will both stimulate and disorient at the same time. This is our trialed and heavily tested version of the widely loved espresso martini. If you're a fan of the classic, then try out this wicked twist.

22

Tequila Espresso Martini

1800 Reposado, Cazcabel Coffee, Fresh
Espresso, Brown Sugar Syrup

Everything is better with tequila, right? Boss Hog Anna swears by a shot of tequila in her coffee...and not just on the weekends pal! This is her famous recipe, give it a bash. Extra tang and a kick of heat.

23

Ultra Espresso Martini

Coffee Infused Diplomatico Mantuano,
Pedro Ximenez, Fresh Espresso, Mr Black

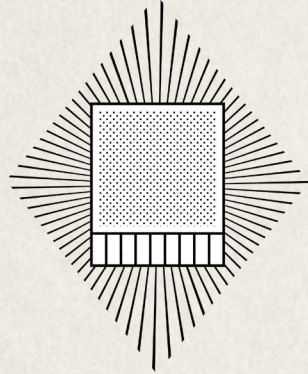

Rum and Sherry but with without your Nana. This is one of the few uses where using rum and sherry doesn't ruin the final result.

23

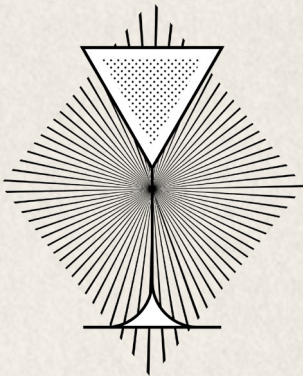

THE SOUR

An official sour contains 4 things. Spirit, Sugar, Citrus and Egg White.

Leave the crafting to us. We've optimised five unique drinking experiences which create different ways to enjoy this timeless classic. Choose your poison below.

Disaronno	22
Ladbrooken Blood Orange	24
Bulleit Rye	24
George Dickels 12	24
Bruichladdich, Classic Laddie	25

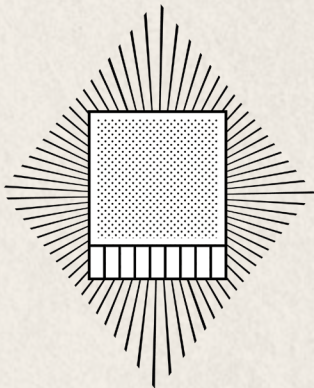

CLASSIC MARTINI

Gin or Vodka, Vermouth. Available Wet, Dry or Dirty with Olive or Twist

A seemingly simple combination of ingredients, it's actually considered one of the trickier drinks to perfect. But don't fret -we've got you covered. Whether you like it dirty, dry, gentle or hard - we're not here to judge your taste in...cocktails.

Classic	27
Vesper	28

A sophisticated and elegant cocktail inspired by the iconic James Bond character Vesper Lynd. It features three measures of Gin, one measure of premium vodka, and a half measure of Lillet for a touch of sweetness and complexity

OLD FASHIONED

Your poison, Brown Sugar Syrup, Bitters.

Like many things we love here at Olivette, this cocktail was born in Kentucky. If you like a stiff drink after a hard week, then this is the one for you.

We've put together a list of a few you might enjoy

Woodford	24
Glenmorangie	24
Diplomatico	24
Senorio Mezcal	30
Corazon Anejo "George Stagg"	32

NEGRONI

A controversial concoction that is usually feared or loved by many. A seemingly simple classic cocktail that is very easily ruined by poor balancing, dilution or chilling. Let us change your mind by making it perfectly. It starts with picking your poison

Negroni Original 25

Equal parts Horse's Tail Gin, Campari, Antica Formula and Orange Zest

Negroni Mezcal 28

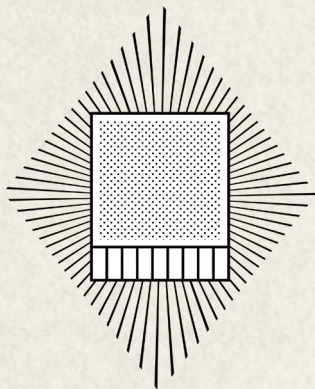

The same but with smoky mezcal

White Negroni 26

A beautiful twist with Cocchi Bianco and Lillet

Negroni Spagliato 27

A supposed drunken mistake is what birthed this drink. But in true bartenders fashion, we embrace this beautiful mistake with open arms. Basically, a negroni with Prosecco.

CLOVER CLUB

Riverina Gin, Raspberry Syrup, Fresh Lemon,
Egg White

Born in Philadelphia during the prohibition, this iconic drink was created at a...wait for it...a gentlemen's club. Who would've guessed. So drink up lads!

22

BAR OLIVETTE

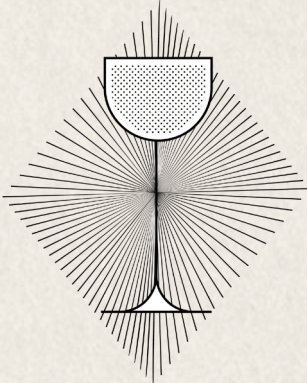

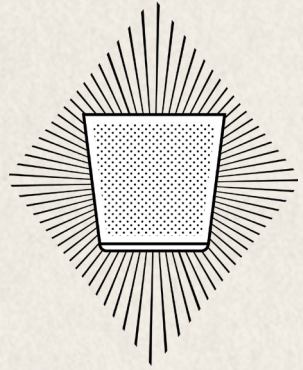

MOCK
TAILS

VIRGIN MARY

Lyre's Italian Spritz 0%, Orange, Lime, Egg White, Rosemary.

Same colour, same punch, no alcohol. We believe that The Mary Jane should be enjoyed by all, so just think of this as her less wild and prude cousin. Enjoy...

15

WITHIN THE BORDERS

0% Spiced Rum, Pineapple Oleo, Lime.

No breaches of the 18th amendment were made during the making of this drink. Please enjoy without fear but please know, Al Capone is looking down upon you with dismay.

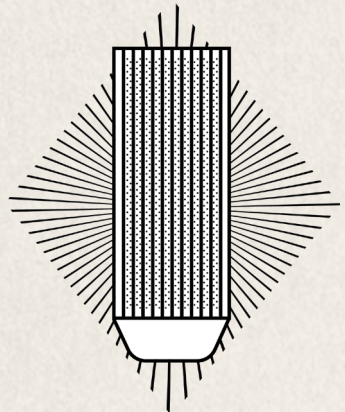

16

SKINNY DIPPING AT DAWN

Pomegranate Molasses, Raspberry Syrup, Lime Juice and Soda

Everyone thinks they're the shit, until it's time to take it all off and go swimming in the lake at dawn
