

BOB'S

BOUTIQUE BAR

The story behind Bob is a story of love.
Love for sharing delicious food and great drinks with friends,
and most importantly, love for a dog called Bob.

After travelling for years and experiencing the best small bars the world can offer, Bob's family decided to open an intimate space which combined their favourite aspects of all those bars, in a beautiful place in Western Australia.

Our philosophy is to provide a space to create memories, enjoy the highest quality food and explore a whole world of fine wine and spirits you may never have experienced.

We love what we do, and we love sharing it with you.

GIN

We love gin.

We love exploring the world through gin.
If you don't know what you are looking for, we
are more than happy to help.

A garnish can completely change the flavour of
a gin, enhance specific elements and elevate
the complexity to ensure the gin is being
enjoyed the way it is meant to be.

We have added our recommendations for
garnishes for each gin, but if you're looking for
something different, just ask.

We just want you to love it as much as we do.
