Curlys was created in memory of Clinton “Curly” Gray — a much-loved local known for his big heart and vibrant spirit. After his tragic passing in 2005, his parents transformed an empty boardwalk space into a place inspired by the way he lived — spontaneous, light-hearted and full of connection. Built on love, laughter and exceptional service, Curlys was always meant to be a place of happiness. Today, Wayne proudly continues Curly’s legacy, welcoming everyone through the doors as family.
