Birthday Parties

For a unique and fun-filled Birthday party why not choose the National Maritime Museum?

Fully themed children's birthday parties can be held at the Maritime Museum led by a costumed party host. These parties include party food, games and prizes, take home bags, helium balloons and a birthday cake. A highlight of these 2 hour parties is a tour of the museum's Destroyer, *HMAS Vampire*. For co-ordinated and themed birthday party bookings and enquires contact [Dollicious](#).

If you wish to organize your own party, there are always lots of fun things to do at the museum. Although you do not have a party host for these parties we can offer you a group discount and discounted all day parking at Harbourside parking for \$11.50 per day. The museum's café, Yots also offers special party catering for these occasions.

For more information about birthday parties at the museum please call (02) 9298 3655.
