

Christmas Hams

Order Form

From Janet Jeffs' farm, Ballalaba, 20km south of Braidwood, these rare breed Wessex Saddleback are grown in stress free conditions, quality assured, happy and healthy pigs - just the way they should be. The free pasture range, chemical-free hams are made from the legs (Easy Carve boneless) and shoulders (Picnic Ham, one bone in but also easy carve) they are brined (sugar and salt) and smoked for us by Longpark Meats, here in Canberra. Our hams aren't nitrate-free but contain the minimum (0.1%) level. This means that we know where our hams came from, how they've been stored, how they've been cured and, finally, who is buying them.

Easy Carve (boneless) hams \$22.00 per kilo approximately 2.0 -6.0kg
 Picnic ham \$20.00 per kilo approximately 2.0kg
